~Special Pre-Screening Event~

7:00 PM, Thursday, April 9th, 2015
University Library’s Lilly Auditorium, UL 0130

Following the screening will be a discussion led by Binh Pho, who was a 19-year old student in Saigon in April 1975 as Saigon fell to the Communists. Pho was one of only 420 Vietnamese left behind inside the US Embassy compound as the last U.S. helicopter departed. The experience profoundly affected the trajectory of his life and has influenced his work as an acclaimed artist.
