Chinese Studies (EALC) Minor

The minor in Chinese Studies takes a comparative approach to the study of Chinese language and culture (or cinema, literature), history, or society, emphasizing the diversity of Chinese culture and great social changes. Students complete first-year Chinese language courses and then choose from a list of courses to complete the 15 credits required for the minor. Students also have the opportunity to apply for the IUPUI Summer Abroad in Guangzhou, China, and are encouraged to consider a major in International Studies, which offers a concentration on Asia.

A **minor in Chinese Studies (EALC)** requires satisfactory completion of the following requirements:

- Completion of properly distributed credit hour requirements for the baccalaureate degree in effect when the student was admitted to their home school.
- Completion of **15** credit hours, with a minimum grade of C in each course.
