

Indy's **alternative** voice

Photography Intern | NUVO Street Team

NUVO is looking for socially outgoing, high-energy students to help us capture our vibrant community in photos and spread the word about NUVO to the Indianapolis area. Photography Interns at NUVO get the best of both worlds; receive valuable real world, curriculum-specific experience in our offices while also being able to attend some of Indy's best music, arts and social events. This internship is the chance to learn first-hand the business of marketing and promoting a modern media company. While interning with NUVO, you will work alongside our Marketing, Promotions and Editorial departments. Interns are encouraged to attend departmental meetings to gain first-hand experience across all aspects of a modern media company including web, marketing, promotions, editorial and production. Educational meetings will be set up between managers of different departments and the student interns.

Responsibilities of the NUVO Photography Intern include but are not limited to; creating photo content for NUVO Promo social media platforms and NUVO.net, photo editing, participation in Street Team events and even the occasional Editorial photoshoot. Interns will be working cohesively with Social Media & Content interns to develop inventive ideas and accomplish goals in an organized, goal-focused manner.

Additionally, the Photography intern will occasionally serve as the NightCrawler, capturing our city's vibrant nightlife scene and other cultural events around town. This includes but is not limited to: passing out NUVO materials, conducting enter-to-win giveaways, shooting photos at events, emceeding events, and otherwise interacting with the public.

Interns will be required to be in the office 8 hours a week and each intern will be required to work two events per week out of the office. Event hours will vary per event. This internship is non-paid and is for-credit only.

To apply, please contact Joey Smith (jsmith@nuvo.net)
