

HWC ENGINEERING

WHY HWC?

- Paid internship opportunities
- Valuable training and hands-on experience for your future career
- Work with community leaders throughout Indiana
- Named one of the best places to work in Indiana in 2016, 2017 and 2018 by the Indiana Chamber of Commerce

ABOUT HWC ENGINEERING

HWC Engineering is a full-service consulting engineering firm that provides water, wastewater, stormwater, transportation, inspection, site engineering, survey, landscape architecture and planning services to both the public and private sectors.

Founded in 1989, HWC has offices in Indianapolis, Lafayette, Muncie, New Albany and Terre Haute, allowing us to provide professional engineering services to clients throughout Indiana and the Midwest.

Recognized as one of Indiana's fastest growing engineering firms in recent years, HWC is home to some of the best professionals in the business.
