ABOUT HWC ENGINEERING

HWC Engineering is a full-service consulting engineering firm that provides water, wastewater, stormwater, transportation, inspection, site engineering, survey, landscape architecture and planning services to both the public and private sectors.

Founded in 1989 in Terre Haute, Indiana, HWC has additional offices in Indianapolis, Lafayette, Muncie and New Albany, allowing us to provide professional engineering services to clients throughout Indiana and the Midwest.

Recognized as one of Indiana's fastest growing engineering firms in recent years, HWC is home to some of the best professionals in the business.
