The Graduate Certificate in Medical Humanities offers an interdisciplinary course of study drawn from the social science and humanities disciplines of Liberal Arts, as well as courses and participation of faculty from other schools. The field of Medical Humanities provides students with the qualitative humanistic and socio-cultural perspectives on health care, in contrast to the clinical/objective approach traditionally taken in biomedicine.

*The Graduate Certificate in Medical Humanities requires the completion of five courses (15 credit hours), two of which are required (M501, M595)

**CORE COURSES** (6 credit hours)
*MHHS, M501 The Human Condition, 3 cr.
